- Opportunity: CEAD purchased a 120-acre tract of land north of Tegucigalpa in the early 2000s, and has planted three very effective ministries at this camp: (1) Camp CEAD – a place used year-round by the church for powerful spiritual retreats; (2) Teen Challenge – a drug and alcohol rehab program for adult and adolescent males serving ~100; and (3) Casa Hogar – a group-home style orphanage geared to elementary-aged children, serving ~60. We will serve Camp CEAD through dormitory construction, while having numerous daily opportunities for ministry, social interaction, and humanitarian aid. We will also visit and participate in services at the vibrant CEAD church in Tegucigalpa. We will stay *onsite* at the camp for our 6 nights in Honduras, immersing ourselves in these ministries and helping them advance, even as our own lives are changed.
- Health & Safety: We will follow guidelines to ensure the safety of team members at all times, in cooperation with CEAD personnel at Teen Challenge and Casa Hogar.
- There are no required travel vaccinations, but team members should be current on all routine immunizations and should consider CDC recommendations (http://wwwnc.cdc.gov/travel/destinations/traveler/mission_disaster/honduras) for vaccinations that could be helpful in Honduras.
